I am requesting an appeal to the decision from USAC that my original appeal was postmarked more than 60 days past the BEAR Notification Letter. I have attached my BEAR notification letter with the date of November 2, 2015. My Appeal to USAC was December 28th 2015. I have contacted USAC and they ask me to take these step to resend the decision. If you need any additional information I can be contacted by the above contact information. I appreciated your time in this issue. I am hopeful we can resolve this for our school district.

Our records show that your appeal was postmarked more than 60 days after the date your FCC Form 472 (BEAR) Notification Letter was issued, as shown above. Federal Communications Commission (FCC) rules require applicants to postmark appeals within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal.

If you believe there is a basis for further examination of your application, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be postmarked within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found under the Reference Area/"Appeals" of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.
